El.En. S.p.A. Realizes \$31 Million From The Sale of 950,000 Shares of Cynosure, Inc.

Company remains largest shareholder of Cynosure following block sale

Firenze, November 8, 2007 – El.En. S.p.A., one of the leading laser companies, and listed on the Star Segment of the Italian Stock Exchange, today announced the block sale of 950,000 shares of Cynosure, Inc. (Nasdaq: CYNO) at a price of \$ 32.65 per share.

Following the sale El.En. remains Cynosure's largest shareholder, with approximately 2.9 million shares of Class B stock, or 23.82% of the total outstanding shares as of September 30, 2007. As a holder of more than 20% of the outstanding shares, El.En. maintains its rights, under Cynosure's bylaws, to appoint the majority of the members of the Board of Directors.

"This sale represented an opportunity for us to realize some of the value from our investment in Cynosure, which has performed exceptionally well since its initial public offering in December 2005," said El.En. President Gabriele Clementi. "Our long-term partnership with Cynosure has produced outstanding technology and a track record of innovative products such as Smartlipo™ laser body sculpting system. We look forward to maintaining a strong relationship with Cynosure's industry-leading management team."

El.En. will continue to include Cynosure's financial results in its consolidated financial reporting . The consolidated gain on the sale of the investment is 14 Million Euros. There is no change to the 2007 forecast on revenues or income from operations as a result of this reported sale.

El.En., an Italian company, is the parent of a high-.tech industrial group operating in the optoelectronics sector. Based on proprietary technology and multidisciplinary know-how, the El.En Group manufactures laser sources (gas, semiconductor, solid-state and liquid) and innovative laser systems for medical and industrial applications. The El.En. Group is the laser market leader in Italy and among the top operators in Europe. It designs, manufactures and sells worldwide:

- Medical laser equipment used in dermatology, cosmetics, physiotherapy, dentistry and gynecology;
- Industrial laser systems for applications ranging from cutting, marking and welding metals, wood, plastic and glass to decorating leather and textiles and restoring/conserving artwork;
- Laser systems for scientific research

EL.EN has been listed on the Star (MTAX) of Borsa Italiana. Its market floatation is approximately 42% and its market capitalization amounts to €150 million.
