Moreover, El.En. hereby gives notice that the amended Articles of Association has been deposited to the Companies House and that it is now available at the Company’s registered office in Calenzano, at Borsa Italiana s.p.a., published on the Company’s website [www.elengroup.com](http://www.elengroup.com), Sec. “Investor Relations / Governance / By laws and regulations” and on the authorized storage website [www.emarketstorage.com](http://www.emarketstorage.com).
El.En., an Italian company, is the parent of a high-tech industrial group operating in the optoelectronics sector. Based on proprietary technology and multidisciplinary know-how, the El.En Group manufactures laser sources (gas, semiconductor, solid-state and liquid) and innovative laser systems for medical and industrial applications. The El.En. Group is the laser market leader in Italy and among the top operators in Europe. It designs, manufactures and sells worldwide:

- Medical laser equipment used in dermatology, cosmetics, physiotherapy, dentistry and gynecology;
- Industrial laser systems for applications ranging from cutting, marking and welding metals, wood, plastic and glass to decorating leather and textiles and restoring/conserving artwork;
- Laser systems for scientific research

El.En has been listed on the Star (MTA) of Borsa Italiana. Its market capitalization amounts to Euro 526 million.
